What Businesses are Saying:

“ Arora Hotels identified the huge potential of the Gatwick Diamond with the opening of the Arora Hotel Gatwick in Crawley in 2001 and has since become the largest hotelier in the area. Our own experience has been that all the fundamentals are in place to establish and grow a successful business and it is therefore no surprise that the major banks, law firms, accountants and corporate letting agents have all established regional centres here. ”

Executive Director, Arora Hotels*

“ KPMG has had its South East office based at the centre of the Gatwick Diamond since 1992. The Gatwick Diamond is the centre of the business community for serving clients across Sussex, Surrey, Kent and South London. ”
