

*you will be in good company!*

The Gatwick Diamond area is located just 30 minutes from central London with Gatwick International Airport at its heart. Global companies and many innovative enterprises have chosen the Gatwick Diamond for their regional headquarters. Dynamic industry clusters include: Life Sciences and Medical Devices; Advanced Manufacturing; Environmental Technologies; Financial and Professional Services; and Food & Beverages.

## Advanced Manufacturing

*A selection of some of the key advanced manufacturing businesses located in the area.*

### Research Expertise

- ◆ The Gatwick Diamond is a hub for research and development forging collaboration between university expertise and businesses.
- ◆ Intensive cutting edge engineering research is undertaken by local companies.
- ◆ Aviation, radiotherapy, horizontal diffusion furnace, vacuum science, diabetes and thermal power research are just a few examples of such research undertaken locally.
- ◆ Alteon Training offers 'Boeing Edge' training and flight services using full size flight simulators.

### A Talented & Skilled Workforce

- ◆ In the Gatwick Diamond, your business can bring together a high calibre and experienced team.
- ◆ There is a well qualified resident population with more than a quarter of working age residents holding a degree.
- ◆ There is a strong supply of highly skilled labour, drawing best talent from around the world to design and develop market leading products.
- ◆ Our educational establishments offer a supply of well-qualified and motivated people, driving innovation and creativity for companies large and small.

### What Manufacturers are Saying:

“ The Crawley area satisfies the key business requirements for international trade with the benefits of easy access to a significant global hub, access to a number of small, local, key specialist companies who are able to support our growing business; and the availability of banking and financial services normally associated with larger international cities. ”

*Gerry Thurgood,  
Chief Executive, Tetreon Technologies*

“ The Gatwick Diamond is an ideal location for any foreign business looking to establish themselves in the UK. Key to this is access to a highly skilled workforce, coupled with excellent transportation links to Europe and North America. ”

*Graham Hutchins,  
Marketing Manager, Macarthy Aviation*
